

GUARDIAN APPLICATION

Triad Honor Flight would not be successful without the support and help from our Guardians. Guardians play a significant role on our flights, ensuring that every veteran has a safe and memorable experience. Duties include physically assisting the veterans at the airport during air and ground activities, and at the memorials. Guardians must be between the ages of 18-70. Spouses/girlfriends/boyfriends are not eligible to be Guardians. All guardians must attend a guardian briefing the week before the flight. Triad Honor Flight will provide air travel, ground transportation and meals on the day of our trip. The guardian is responsible for paying a fee of \$595 to cover your expenses (\$450 if the guardian is a veteran). Send no money now; payment will be due once your flight is confirmed.

NOTE: Please enter your name exactly as it appears on your Photo ID for airline travel TSA screening.
